Dear Sir or Madam:

Let this serve as a notice pursuant to Open Meeting Law, M.G.L.c. 30A sections 18-25 of a meeting of the Hampden County Commission on the Status of Women & Girls (HCCSWG).

On April 25, 2017, the Massachusetts Commission on the Status of Women inaugurated nine commissioners to a newly formed regional commission created to study and report the status of women and girls in Hampden County. The Massachusetts Commission on the Status of Women is "a state-established body charged with reviewing the status of women in Massachusetts and offering recommendations regarding policy that would improve access to opportunities and equality." The regional commissions have been created to target specific geographical regions to make sure that the needs of women across the state are met.

Our next meeting will be Thursday, January 13, 2022, from 6:00 PM - 8:00 PM. In light of current public health recommendations for social distancing and state restrictions around public gatherings, and in observance of the Governor's Order Suspending Certain Required Provisions of the Open Meeting Law (M.G.L. c.30A, §20 dated March 12, 2020), this meeting will take place online at:
